Gaétan - Philippe

Adopted

That the agenda be as follows: Green Team – lawn cutting – natural gas – playground – water Culvert – Diane's project

Philippe - Gaétan

Adopted

That the minutes from the last minutes be accepted as presented.

Diane informs us that the pipeline have a 3-5 yr project with people travelling from Gretna to Glenboro in need of a parking spot. There would be approx.. 150 vehicles. Adrien will contact Dave McDonald @ 306-807-0303 Mi bus transportation – mi.bus@mibus.rocks

We were granted two employees with Green Team with each getting 250 hours. Tenders for lawn cutting – Josh & Nick - \$540 per time and Jayden \$7000 a summer. Gaétan proposed that we accept Josh & Nick bid and Philippe seconded. Adopted

The lots in the old school yard are 100x215 – we will advertise for 3 weeks – twice or three times –

Gaétan informed us that the lot is 3382 sqft.

Lindsay will talk to the farmers that have land around the lake to see if it is possible to install a culvert to lower the lake by about a foot.

Next meeting will be held in the fall.

That the meeting be adjourned - Gaétan
