That the agenda be has follows:
budget - recycling and garbage - water project - trees

Lindsay – Phil Adopted
That the minutes of the last meeting be accepted has presented.

The highway department would like the town to trim the trees on the boulevards but that would not help cause the trees are to close to the road.

The municipality is still working on the project with MWM for recycling and garbage. They are waiting on the final cost.

The water project is still on going.

Phil – Lindsay Adopted
That the budget be approved at 12.199 mil rate.

Lindsay
That the meeting be adjourned.
