

LUD OF SAINT-LÉON

April 10 2017

Present: Adrien Caillier, Viola Caillier, Lindsay Ketsman, Gaétan Talbot & Philippe Grenier

Philippe – Lindsay **Adopted**

That the agenda be as follows: tenders for lawn cutting – questions on budget – flags for the town – school lot – play structure

Gaétan – Lindsay **Adopted**

That the minutes of the last meeting be accepted as presented.

Philippe will talk with Rob Kidd to see if we could get to signs 'local traffic only'.

The tenders for lawn cutting will have to be submitted by May5, 2017.

We need 3 tenders if we apply for a grant for sidewalks.

As for the interest on our budget Lindsay explained that each location would need an account and it would cost more to operate than to all be with the municipality. Lindsay will check to see if we are insured for our play structure thru the municipality.

We need to change the stone in our play area. We have to measure and get a quote.

The school lot will have to be measured if we want to sell as lots – the legal fees and fees to transfer would have to be paid by the owner and specific rules to follow.

The flags will be put up on April 29, 2017 in the morning.

Lourdéon will have their meeting on April 20th, 2017 at 7:30.

Bills to be paid: Philippe – Lindsay **Adopted**

Denis Mabon – blade on snowblower **\$157.50**

Our next meeting will be held on May 8th, 2017 @7:30

Gaétan – That the meeting be adjourned
